October 2024

Dear Friends,

It is that time of year when we kick off our Annual Fund Drive and ask for your help in supporting the local agencies that provide valuable services to our residents, families and children residing in the Little Falls, Dolgeville, and neighboring communities.

Our campaign goal for this year is \$70,000 and with your generous support we can help meet the needs of our local organizations that provide these important programs and services to our communities.

Please consider making your donation and returning the enclosed card.

Thank you in advance for your continued support.

Very Truly yours,

The Greater Little Falls Community Chest

The mission of the Community Chest is to recruit, organize and direct a 100% volunteer group to contact every individual and business within the Little Falls/Dolgeville area for the purpose of educating them about united giving. We also create awareness in these communities of our member agencies and their work and services, so that we will be able to attain our fund-raising goal to support each members agency's program and development.
